

Join Us!

This year has been filled with challenges that none of us could have predicted. Business as usual has been anything but usual! However, the strategies for advancing and understanding ADA rights and responsibilities are needed now more than ever.

The most exciting benefit to being virtual is that we are able to bring you speakers from around the country so prepare to be wowed by the local, state and national ADA experts we have assembled for the Conference.

Our goal is an interactive, informative and engaging series of breakouts to connect you to other ADA professionals and elevate your level of understanding and proficiency in ADA law—especially during the time of COVID19.

Wait, there's more! The first fifty participants registered for all eight sessions will receive a special thank you package including – to make this a true “Lunch and Learn” - a \$15 gift card for you to have lunch delivered on one day of your choice.

As a non-profit in Connecticut since 1992, ADACC is dedicated to the training and education about the ADA. The State Conference is one of our main sources of funding to carry out our mission and we are grateful for your support through membership and conference attendance.
